

EMILY LAMBLEY

Hello! I am a graphic designer with skills in branding, illustration, web, promotional and print/digital design. There is something so special about understanding a vision and bringing it to life.

EXPERIENCE

Graphic Design / Marketing Intern

Union Bank & Trust (January - February 2025)

- Created holiday social media assets within new brand guidelines using InDesign and Photoshop.
- Designed digital billboard advertisement in Illustrator.
- Brainstormed deposit campaign concepts with the marketing team.
- Communicated effectively with teammates to get the best possible outcomes of projects.

Bank Teller

Union Bank & Trust (August 2023 - present)

- Processed daily customer transactions including deposits, withdrawals, and loan payments with accuracy and efficiency.
- Delivered excellent customer service by addressing client needs, answering inquiries, and resolving account issues.
- Identified customer needs and recommended appropriate banking products and services.
- Followed strict security procedures to protect customer information and prevent fraud.

EDUCATION

Associates of Applied Science - GDMA

Southeast Community College - 2025

The Graphic Design | Media Arts program at Southeast Community College is an intensive program. I was able to gain ample experience in branding, publication design, packaging, web and UI design, environmental graphics, and more. This program emphasized creative problem-solving, technical proficiency, and professional standards.
